THE 13TH ANNUAL IRWA INTERNATIONAL SURVEYING AND ENGINEERING COMMUNITY OF PRACTICE MAPPING COMPETITION HAD A TOTAL OF 29 SUBMITTALS IN FIVE CATEGORIES (HIGHWAY, PIPELINE, TELECOMMUNICATIONS, UTILITY, AND OTHER). JUDGING WAS COMPLETED IN JUNE DURING THE IRWA ANNUAL CONVENTION IN SAN DIEGO, CALIFORNIA BY THE COMMUNITY OF PRACTICE MEMBERS, MADE UP OF SURVEYORS AND RIGHT OF WAY PROFESSIONALS FROM ACROSS THE US AND CANADA. ONCE THE INDIVIDUAL CATEGORY WINNERS WERE DETERMINED, A "BEST OF SHOW" WAS CHOSEN.

MICHIGAN CHAPTER 7 HAD GREAT REPRESENTATION WITH FIVE ENTRIES SPONSORED BY OUR MEMBERS. THIS YEAR SUBMITTALS PREPARED BY JASON PLUMMER, ROWE PSC, WERE CHOSEN WINNERS IN TWO OF THE FIVE CATEGORIES, PIPELINE AND OTHER. THE PIPELINE SUBMITTAL WAS A VERY DETAILED DRAWING FOR A BARR/ENBRIDGE PROJECT WHICH INCLUDED BOUNDARY, EASEMENTS, TOPOGRAPHY AND UNDERGROUND UTILITY SWEEP INFORMATION. THE SUBMITTAL IN THE OTHER CATEGORY WAS A CROP DAMAGE DRAWING FOR THE CONSUMERS ENERGY CROSS WINDS ENERGY PARK PROJECT.

THE CROP DAMAGE DRAWING WAS THEN JUDGED AS THE "BEST OF SHOW" OUT OF ALL OF THE WINNING DRAWINGS. JUDGES COMMENTED ON THE DETAIL, CLARITY, AND THE INNOVATIVE USE OF COLOR AND HATCHING WHICH SIMPLIFIED THE PRESENTATION OF COMPLEX MULTIPLE OVERLAPPING CROP DAMAGES FROM MULTIPLE SOURCES. THE DRAWING ALSO INCLUDED ACREAGES OF THE DAMAGED CROPS TO ASSIST IN THE VALUATION AND PAYMENT PROCESS.

CONGRATULATIONS TO JASON PLUMMER AND MICHIGAN IRWA CHAPTER 7 FOR SUCH A GOOD SHOWING!

CONGRATULATIONS TO NORM THOMAS, SR/WA ON BEING NAMED  
REGION 5 PROFESSIONAL OF THE YEAR!

**IRWA Fall Education Seminar  
September 23-25, 2015  
The Grand Hotel  
Mackinac Island, Michigan**

**General Information**

***Transportation***

There are several ferries that will take you to the island, Shepler's, Arnold and Star Line. Shepler's Ferry is offering IRWA Michigan Chapter 7 a discounted rate for our guests. From either the Mackinaw City or St. Ignace docks, your roundtrip ticket will be \$18.00, and \$9.00 for children. When you arrive at the docks simply identify yourself as a member of the International Right of Way Association group. Please go to [www.sheplersferry.com](http://www.sheplersferry.com) to find the ferry schedule.

Horse-drawn taxis will meet your ferry boat at the dock to take you to the Grand Hotel. Should you decide to walk remember that your luggage will be delivered to your room. All taxi fares are payable in cash as you exit the taxi. Tipping the taxi driver is appreciated.

***Luggage***

The ferry employees will tag your luggage at the mainland ferry dock and it will be delivered to your room at the Grand Hotel. Please keep your luggage claim check with you to show at the front desk of the hotel during check-in. There is also a one time charge of \$8.00/person for luggage transfers.

Please keep in mind that it may take up to two hours for your luggage to arrive at your room. Please plan accordingly if you are arriving on a late afternoon ferry when evening attire is required. You may want to keep your luggage with you.

***Hotel Check-In and IRWA Fall Seminar Registration***

Please see the Hotel Registration form for your hotel arrangements. ***The IRWA Chapter 7 Room Block is open until August 21, 2015, please make your reservations prior to this date.*** You may check into the Grand Hotel beginning at 4:00pm, on your day of arrival. Should you have any question on the hotel you can call 1-800-33-GRAND.

When you check into the Grand Hotel, you will be given a guest card that will be your access to meals and activities at the hotel. **Please keep this card with you at all times.**

***Tipping***

Tipping is not permitted to any employee within the Grand Hotel. However, tipping is appreciated on island taxis and other Grand Hotel properties, including The Gate House, Woods Restaurant, and the Jockey Club at the Grand Stand.

***Attire***

While the Fall Seminar is Business casual, the Grand Hotel requires evening attire every day after 6:30pm. Men should be in a coat and tie. Women need to be dressed in their finest – a dress, skirt or pantsuit. This policy is in effect in all areas of the hotel except the Cupola Bar where casual dress is accepted at any time.

The Wednesday evening Welcome Reception at the Jockey Club on the Grand Stand will be casual attire.

***Dining at the Grand Hotel***

Breakfasts and Dinners are included in your Fall Education Seminar package. These meals will be held in the Main Dining Room of the hotel. Each guest must show his or her guest card to be seated for the meal. IRWA Chapter 7 will have a special section on the Main Dining Room reserved for dinner Thursday evening. Breakfast will be open, no assigned, seating. If you would like to sit with a specific group show up together and report to the host or hostess the number in your party. They will do their best to accommodate the size of your group.

If you have special dietary needs, please visit the concierge desk in the Parlor to review the menu prior to dining. The Grand Hotel will be happy to prepare a meal that accommodates your needs. A children's menu is also available at each meal and can be requested from your server.

***Check-out***

The Grand Hotel check-out time is 11:00am. Guests will receive letters under their doors on Thursday night with outgoing tags and instructions. Grand Hotel staff will collect luggage and transport it to your respective ferry dock. Shepler's Ferry is the Fall Seminar preferred ferry line.

## Conference Speakers

### **J. Warren Doyle**

J. Warren Doyle started his career in the energy industry in 1978 as a landman and right-of-way agent while attending Tulane University. He focused his studies on business and oil and gas related courses (geology and law) before earning his undergraduate degree in Business Administration in 1979. Upon graduation, he continued to work as an independent contractor for numerous exploration companies before starting his own land services firm, Doyle Land Services Inc., in 1981, where he serves as owner and president.

Doyle Land Services Inc. employs over 250 land and right-of-way professionals performing, right-of-way, permitting, title, exploration land, project management, property management, and data and mapping services for the pipeline, gas storage, utility, oil and gas exploration, telecommunications, and transportation industries throughout the United States.

Doyle has contractually constructed (title, permitting and acquisition) or performed due diligence on mainline, lateral and gathering pipeline systems, gas storage fields, transmission lines, 2D and 3D seismic surveys, and oil and gas fields, and managed in excess of 500,000 mineral acres. He has designed, built and maintains data and mapping systems to manage all of the above efforts. He is recognized as an expert on related matters in testimony before the Commissioner of Conservation for the State of Louisiana.

### **Gerry Slattery**

Gerald Slattery is an attorney with more than 30 years of experience litigating in the gas, oil and banking industries. He is experienced in all aspects of oil and gas litigation, including "legacy" lawsuits, royalty disputes, joint operating agreements, exploration and farm-out agreements, drilling contracts, insurance coverage issues, well blowouts, property damage, pollution and casualty matters, trespass, and mineral lease issues. He has argued cases on all levels of the federal courts, including the U.S. Supreme court.

### **Darius W. Dynkowski**

Darius W. Dynkowski is a partner with Michigan-based Ackerman Ackerman & Dynkowski. He is a 1993 graduate of Wayne State University, and he received his Juris Doctor degree from the Detroit College of Law in 1996.

Mr. Dynkowski joined Ackerman Ackerman & Dynkowski shortly after graduating, and he has been avidly defending landowners throughout the country since 1996. He is an expert in the areas of condemnation and eminent domain, and he has been involved in cases at both state and federal levels. He has served as the lead attorney on several cases that have resulted in compensation exceeding the original offer by at least \$1 million.

In 2013, Mr. Dynkowski became the firm's Ohio liaison after being admitted into the Ohio State Bar, and works on condemnation and eminent domain proceedings in that state.

He serves as the chair of the American Bar Association Section of Real Property Land Use and Environmental Group. In 2009, Chambers USA recognized Mr. Dynkowski as one of the best eminent domain attorneys in the country. In addition, he has been featured in the Michigan Super Lawyers magazine from 2007-2010. He has also served as an adjunct professor at Michigan State University College of Law since 2009.

#### **Robert S Rollinger**

Robert S Rollinger, PC, is the president at Robert S. Rollinger, PC, a law practice in the Detroit area. He has a B.A. in Political Science from the University of Michigan and Juris Doctor degree from Thomas M. Cooley Law School. Some of the areas of real estate law handled by his firm include: real estate acquisitions; zoning and administrative approval and variances; obtaining licenses and variances; site plan approval; development; drafting and negotiating commercial leases; title disputes; creating special assessment districts; challenging property tax assessments; eminent domain; construction litigation and arbitration; disputes between general contractors and subcontractors; and condominium document drafting, including Master Deeds and By-Laws, creating a condominium association, and implementing rules and regulations for co-owners to follow.

Mr. Rollinger's publications include "The Condemnor's right to financial information from a Property Owner and Claims Assessment Procedures Under the Uniform Condemnation Procedures Act," which explores the requirements imposed upon a property owner seeking additional compensation in an eminent domain proceeding, and "Recent Legislative Enactments and Court Decisions Affecting Highway Law," a presentation at the annual conference of the County Road Association of Michigan.

#### **Stu Kogge**

Stu Kogge, PWS, is a senior wetland/aquatic biologist and a professional wetland scientist (PWS) with nearly 30 years of natural resource wetland experience. He received a Bachelor's of Science in Fisheries and Wildlife Management in 1983 and a Master's of Science degree in Limnology/Fisheries/Aquatic Biology from Michigan State University in 1985. In 1986, he took a position with the MDNR Cadillac District office, and administered and enforced the state's various Great Lakes, inland lakes, streams and wetland statutes for the next 10 years. In 1995, Mr. Kogge was promoted to the state-wide coastal wetlands biologist position stationed out of Lansing, Michigan, and then in 1999 promoted to the state-wide wetlands biologist position for MDEQ. Mr. Kogge took an early retirement from MDNR/MDEQ in 1999 to start a non-profit organization and a private consulting firm. In 2008, he joined JFNew (now known as Cardno) serving as its senior wetland/aquatic biologist. Main rolls included driving business in the natural resources field of wetlands and aquatics, mentoring and providing wetland and botanical training and consistency oversight for younger staff, and serving as client and/or project manager for numerous clients. Mr. Kogge left JFNew to join GEI Consultants in September 2014, doing the same type of work with a goal of doing more teaching and mentoring to wetland staff throughout the United States.

**Colin W. Maguire**

Colin W. Maguire specializes in municipal law and real estate law. He also practices in business/corporate law, litigation, and estate planning. He is the vice chairman of the Lansing Planning Board and has authored numerous articles on land use and sustainable development. His publications focus on the impact of evolving land-use policies on both developers and municipalities.

Before graduating from Thomas M. Cooley Law School, Mr. Maguire won the Eugene Krasicky Award for his outstanding contributions to the Cooley Law Review and was a highly-decorated Moot Court competitor. He has spoken on sustainable land use issues at international conferences in Toronto, Ontario, and Oxford, UK.

Mr. Maguire worked in the green building industry while attending law school. Immediately prior to joining the Loomis Law Firm, he worked at a firm specializing in medical malpractice defense.

**Joe Hughes**

Joe Hughes works as a land management supervisor for Wolverine Power Cooperative. One of the projects he is working on at Wolverine is assembling land for a proposed \$100 million natural gas-based power plant just outside of Gaylord, Michigan. The project is expected to provide electricity in Northern Michigan and the remainder of the state. The proposed plant will sit on 170 acres of land – two 40-acre parcels, one 80-

acre parcel and one 10-acre parcel. Mr. Hughes is working to acquire the various right-of-ways and land for the project.

**Michael F. Kurschat**

Principal of the firm Kurschat & Company, Michael F. Kurschat has over 28 years of appraisal experience. Mr. Kurschat has a master's degree in finance from Walsh College, an MAI designation, and an ASA designation. He has a wide variety of experience appraising commercial, industrial, office and specialty properties. Mr. Kurschat has developed a specialty in gas stations, and speaking on them both locally and nationally,

and appraised the total take of a large truck stop for eminent domain in Colorado. He appraises other specialty properties for condemnation, including golf courses, car washes, gas stations, and the Silverdome. He is past president of the Detroit Chapter of the American Society of Appraisers and is currently serving as Vice President of the Michigan chapter of the International Right of Way Association.

## 230 Oil and Gas Land Basics and Related Surface Rights Issues - September 23, 2015 - Mackinac Island, MI

### Course 230 - Oil & Gas Land Basics & Related Surface Rights Issues

#### Course Description:

The oil and gas lease is the base agreement governing the right to own and transport hydrocarbons from, over, and across an oil and gas field. This and other related agreements are usually the exclusive domain of the Exploration Landman. You will learn in this course that this need not be the case.

The purpose of this course is to expand the knowledge base of the Right of Way Agent/Surface Landman and to develop the necessary cross-over skills to enhance marketability and expertise.

#### Topics:

In this course, you will:

- Learn and understand the basics of exploration mineral land work
- Study the responsibilities and necessary knowledge base of a Field Exploration Mineral Landman, including the contractual agreements that must be fully understood (i.e. the oil and gas lease and related documents).
- Understand and determine when, where and why the lessee (or their assigns), under the terms of an oil and gas lease, has the right to build pipelines and related facilities for transporting hydrocarbons across an oil and gas lease.
- Examine the surface rights of the oil and gas lessee and how they relate to the responsibilities of Right of Way Agents / Surface Landmen in support of the pipeline industry.
- Apply this new knowledge to practical land and right of way issues in the oil and gas field, including building gathering systems and laterals, gathering system due diligence and gas storage field contractual construction.

#### Recommended Pre-requisite:

IRWA Course 100 Principles of Land Acquisition

Whether as a primer to understand exploration land work or to expand your talents in the right of way field, this course will provide you with vital information to excel in your ROW project.

This course is a lecture based in-person classroom learning experience.

### Course Instructor:

**J. Warren Doyle** started his career in the Energy Industry in 1978 as a Landman and Right of Way Agent while attending Tulane University. He focused his studies on business and oil and gas related courses (geology and law) before earning his undergraduate degree in Business Administration in 1979. Upon graduation, he continued to work as an independent contractor for numerous exploration companies before starting his own land services firm, now Doyle Land Services, Inc., in 1981. He has served in the capacity of owner and President continuously to present.

Doyle Land Services, Inc. [www.doyleland.com](http://www.doyleland.com) employs over two hundred and fifty (250) land and right of way professionals performing, right of way, permitting, title, exploration land, project management, property management and data and mapping services for the pipeline, gas storage, utility, oil and gas exploration, telecommunications and transportation industries throughout the United States of America.

In service to the Energy Industry in particular, Warren has contractually constructed (title, permitting and acquisition) or performed due diligence on mainline, lateral and gathering pipeline systems, gas storage fields, transmission lines, 2D and 3D seismic surveys, oil and gas fields and managed in excess of 500,000 mineral acres. He has designed, built and maintains data and mapping systems to manage all of the above efforts. He is recognized as an expert on related matters in testimony before the Commissioner of Conservation for the State of Louisiana.

Warren is married to Laurie Ellis Doyle and they have four (4) children and one (1) grandchild. They live in New Orleans, Louisiana and he travels the country extensively in service to his clients. He can be contacted at [jwdoyle@doyleland.com](mailto:jwdoyle@doyleland.com).
