

## ***Michiana Land Services, Inc.***

Since 1997, MLS has provided full-service right of way support to public utilities, private industry and government agencies.

Our practice includes pipelines, electric transmission lines, wind power, and telecommunications. We excel in education, experience, dedication, performance, and team work to ensure an unparalleled experience from start to finish.

**We currently have openings in Fort Wayne, Indiana and St. Joseph, Michigan for:**

- **Junior Right of Way Agents**
- **Senior Right of Way Agents**
- **Right of Way Project Managers**

We offer comprehensive project management services, including:

- Turn-Key ROW Project Execution
- Route Selection/Feasibility Studies
- Title/Abstract Research & Curative
- Cost and Schedule Analysis
- Preliminary Permitting
- Environmental Scoping
- Survey/Mapping
- Appraisals
- Construction Support
- Document Preparation
- ROW Acquisition/Negotiations
- Relocation/Damage Settlements

...and much more! **To apply, or request more information, send your resume and cover letter to Carl Meyer at [CMeyer@MichianaLandServices.com](mailto:CMeyer@MichianaLandServices.com) or call (269) 208-0155.**
